Cooperative Agreement for 1999 National Breast and Cervical Cancer Early Detection Program; Notice of Availability of Funds

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 1999 funds for a cooperative agreement program for the National Breast and Cervical Cancer Early Detection Program. This program addresses the "Healthy People 2000" priority area(s) related to cancer.

The purpose of this program is to establish a State/territorial/tribal comprehensive public health approach to reduce breast and cervical cancer morbidity and mortality through screening, tracking, follow-up and case management, public education, information, and outreach, professional education, quality assurance and improvement, surveillance, evaluation, partnership development and community involvement. The program is established to eliminate disparity and provide comprehensive breast and cervical cancer screening services for all women at or below 250 percent of the official poverty line as established by the Director of the Office of Management and Budget (OMB) and revised by the Secretary of DHHS in accordance with section 673(2) of the Omnibus Budget Reconciliation Act of 1991 (Section 1504(b)(3) of the PHS Act, as amended). Criteria for priority populations are uninsured or under-insured older women who are racial,
